Apple Photos: Use Apple Photos app to show learning through annotating on photos.

🍎 Open the Apple CAMERA app to begin

🍎 Make sure the ENTIRE scene can be seen on the iPad screen

🍎 Tap the camera SHUTTER button to take a photo

🍎 Tap the HOME button 1x

🍎 Tap to open the PHOTOS app

🍎 Tap on the PHOTO you want to open

🍎 Tap EDIT

🍎 Tap on the MARKER icon to open Mark Up

🍎 Tap to CHOOSE a pen style and pen color

🍎 Use your FINGER on iPad screen to annotate on the photo

🍎 Tap DONE to exit Markup

🍎 Tap DONE a second time to save annotated photo
