1. Open the Metamoji Notes Lite to begin creating a note or annotating on an image.
2. Tap the + icon to add items to the canvas.
3. Tapping the file folder will take you to the note list screen where you can create a new note or edit an old one.
4. Tap the pen tool to choose from a variety of pen options.
5. Tap this tool to choose a highlighter color to use.
6. This tool allows you to lasso or box in certain parts of the image.
7. Tap the T to add written text to your image.
