

# APPLE LEARNING HELP SHEET

Educational Technology Department

Volusia County Schools

## Creating a Link to a Website on the iPad Home Screen

 Open the SAFARI web browser.  
*(Note: This does NOT work if you are using Chrome)*

 Go to the preferred website.

 Tap the SHARE icon on the top of the screen. 

 Scroll down in the panel and choose ADD TO HOME SCREEN.

Now an app icon will appear on the iPad's home screen as a direct link to the website
